FOR SERVICE MAINTENANCE CONTRACT.

To: [Name and address of Procuring Agency]

Respected Sir/Madam

Having examined the Bidding Documents, the receipt of which is hereby duly acknowledged, we, the undersigned, offer the Repair and Maintenance Services specified in the Scope of Services / Technical Specifications and in conformity with the said Bidding Documents for the sum of [Total Bid Amount], [Bid Amount in words] or such other sums as may be ascertained in accordance with the Schedule of Prices attached herewith and made part of this bid.

We undertake, if our bid is accepted, to render the services in accordance with the scope of services / Technical specifications of this bidding documents.

If our bid is accepted, we shall obtain an unconditional guarantee of a bank in the sum of 05% percent of the Contract Price for the due performance of the contract, in the form prescribed by the Procuring Agency.

We agree to abide by this bid for a period of [number] days from the date fixed for bid opening under forms & conditions of tender, and it shall remain binding upon us and may be acceptable at any time before the expiration of that period. Until a formal Contract is prepared and executed, this bid, together with your written acceptance thereof and your notification of award, shall constitute a binding Contract between us.

We understand that you are not bound to accept the lowest or any bid you may receive. Commissions or gratuities, if any, paid or to be paid by us to agents relating to this Bid, and to contact execution if we are awarded the contract, are listed below:

Name and address of bidder

5. DOWN TIME

- i. Downtime is defined as failure in equipment operation.
- Down time will start when the end user notifies the designated service facility verbally or in writing. Contractor will provide the service telephone number accessible, round the clock.

 The response time of 02 hours will be considered normal.
- Downtime will end once the repairs have been affected and the system is again available for procedures/use.
- iv. The installation of the system improvement and updates as schedule by mutual agreement of both the parties as well as schedule preventative maintenance shall not be considered as downtime.
- v. Qualified and fully trained/service support will be available from the contractor as a backup to the local engineers during the contract period at no cost to the client.

6. SCOPE OF WORK

`~**L**

- 1. One(01) annual comprehensive maintenance.
- 2. The annual and monthly inspections will include:

Adjustment, setting, anti scaling and calibration.

Correction of detected defects which result from normal wear & tear and replacing parts, if necessary to maintain the system.

Installation /updation of originally purchased software whenever made available by the manufacturer.

Field modification, if any, recommended by the manufacturer to improve performance and reliability.

- 3. Contractor shall also carry out necessary repair, within the scope of this agreement, as and when required by the client. Furthermore, contractor shall provide support to operating staff of the equipment as and when considered necessary.
- 4. The client is accepted to make the equipment to be maintained, available on the agreed dates. In case the client can't meet this requirement, he is obliged to inform the contractor to this affect at least three days prior to the agreed date.

7. SPARE PARTS.

- i. Contractor shall maintain spare parts inventory at a level to meet 95% uptime guarantee.
- ii. The spare parts will be replaced on exchange basis.

8. MISCELLANEOUS:

- i. In case of any representation on part of bidder, the case shall be put before the "committee for readdressed of grievance, FIC, who shall act as arbitrator and its decision shall be final.
- ii. Client as well has the right to terminate the contract agreement, if contractor fails to provide service as per contractual conditions, after being dully notified by the client in writing of its short coming and give reasonable time for remedial action.

9. FORCE MAJEURE

AM Ce

Ch
