Company Grievance	TAC Observation	Grievance Decision	Remarks
Respected Sir, We respectfully submit our grievance against the technical evaluation for the prequalification of Get Well Pharmacy as an LPDD vendor, which has been denied due to a difference in the name on the NTN and Drug Sales License (DSL). We would like to clarify that the ownership of Get Well Pharmacy has been transferred from Mr. Haris Qammar to Mr. Gulraiz Yaqoob, whose name is duly mentioned on the NTN. The previous owner, Mr. Haris Qammar, is now working as the Pharmacy Manager under the new ownership. The process of proprietorship change is already in progress and, as per procedure, usually requires 2–3 months to be completed. In view of the above, we kindly request you to reconsider our case for prequalification and allow us to proceed as a vendor. Sincerely, Get Well Pharmacy	<ul style="list-style-type: none"><li>Income tax and drug sale license are of different persons</li></ul>	Documents re-evaluated and it was found that Income tax and drug sale license are of different persons	Bid of <b>M/S Get Well Pharmacy</b> for pre-qualification rejected
