1	<p>Dear Grievance Committee, We wish to clarify that the products quoted in our bid are fully compatible with analyzers matching the technical specifications outlined in the advertised tender. A detailed placement proposal for the analyzer has been included in our submission for your reference. We confirm that the instrument we are offering meets the required throughput, reagent capacity, and all other specifications as per the stated workload demands. Additionally, we assure you that no hidden or additional costs will be incurred for the analyzer or its standard accessories. To further demonstrate our commitment to transparency and end-user satisfaction, we would be pleased to arrange a live demonstration or facilitate a visit by the Technical Evaluation Committee to inspect the proposed instrument.</p> <p>In support of our financial standing and compliance with the tender requirements, we have enclosed the following documents: -Bank Statement (reflecting opening and closing balances) -Income Tax Return -Audited Financial Statement We respectfully request the Committee to review our submission favorably, ensuring a fair and competitive procurement process that prioritizes quality and value. Thank you for your time and consideration. Should you require any further information, we remain at your disposal</p>	<p>Item no 1 (AntiHCV By CLIA)</p> <ul style="list-style-type: none"> Not according to specifications advertised in tender Bank statement not attached <p>Item no 2 (HBSAG By CLIA)</p> <ul style="list-style-type: none"> Not according to specifications advertised in tender Bank statement not attached <p>Item no 3 (HIV By CLIA)</p> <ul style="list-style-type: none"> Not according to specifications advertised in tender Bank statement not attached <p>Item no 4 (VDRL (SYPHILIS) By CLIA)</p> <ul style="list-style-type: none"> Not according to specifications advertised in tender Bank statement not attached 	<p>Not according to specifications advertised in tender</p> <p>Not according to specifications advertised in tender</p> <p>Not according to specifications advertised in tender</p> <p>Not according to specifications advertised in tender</p>	<p>Rejected</p> <p>Rejected</p> <p>Rejected</p> <p>Rejected</p>
